

Symmetrical Privacy Policy

Symmetrical Labs is an innovative financial intermediary that offers, among others a real time bidding platform for financial products. We registered loan intermediary in the Polish Financial Supervision Authority.

Symmetrical's Privacy Policy describes what data, on what basis, for what purpose and how we process it. In addition, the Policy contains information about the rights of people whose data is processed.

1. Who is a data administrator?

The data administrator is:

SYMMETRICAL LABS SP. Z OO, with its registered office in Warsaw at ul. Rozbrat 6/18, 00-451 Warsaw
KRS 0000747407, NIP 7010850471

The Administrator's contact details are:

SYMMETRICAL LABS SP. Z OO

ul. Rozbrat 6/18

00-451 Warsaw

e-mail: gdpr@symmetrical.ai

The administrator has appointed the Personal Data Protection Inspector available at:

Bartosz Kapuściński

e-mail: gdpr@symmetrical.ai

An administrator is an entity that has the right to process personal data and who decides about the purpose and methods of data processing - for example, an entity with whom we conclude a contract.

Inspector is a function performed by an employee or an associate of the Administrator, the Inspector's task is to supervise the correctness of processing personal data. The inspector also deals with training, advising and explaining issues related to the protection of personal data.

2. What personal data will be collected by Symmetrical?

Through our website (contact form) and in the course of correspondence (mainly via e-mail) we collect data

- Surname, first name (names)
- Phone numbers
- E-mail address
- Address of residence or correspondence address

3. Where does Symmetrical get personal data from?

- Directly from the data subject.

4. In what purpose Symmetrical processes the data?

- Answering a question or correspondence - this purpose of processing does not require consent
- Actions aimed at concluding a contract - this purpose of processing does not require consent

5. Profiling

In the case of contact data and information obtained through the intermediation of the contact form on the website or via email, we do not use profiling.

6. Who will have access to personal data?

- Parties cooperating with Symmetrical (eg business partners) - with the consent of the data subject
- Symmetrical employees, partners and subcontractors - on the basis of an authorization or an appropriate contract, such access does not require the consent of the data subject
- Entities authorized under the law (eg police) - if they apply for it in accordance with the law regarding a specific situation and such access does not require the consent of the data subject

7. Does Symmetrical communicate outside of the EEA?

Personal data processed by Symmetrical will not be transferred outside the European Economic Area.

8. What rights do you have for personal data?

Data subjects have the following rights:

- to access their personal data and know the origin of the data, the purpose of processing, as well as information about the data controller, processing entities (subcontractors and the entities to which they can be disclosed)
- withdraw your consent at any time, if personal data are processed on the basis of consent, but the withdrawal of consent does not affect the correctness of processing before its cancellation
- updating or correcting your personal data
- deletion of your personal data if there is no basis for further processing
- limitations of the processing of their personal data in a situation when the law allows it (eg. in the course of handling complaints)
- obtain your personal data in an electronic format for your own needs or another controller
- file a complaint or complaint with the appropriate data protection authority

The above rights may be exercised using the Symmetrical System or through the contact details indicated in this Privacy Policy.

9. The period of data storage

We will not store personal data longer than necessary. If the data is not used for other purposes, eg contract conclusion / establishing cooperation, we will delete them after one year.
